INSERT new definition in Zoning Ordinance Article II - DEFINITIONS.

LIVING SPACE: Living space shall be defined as any space in the unit which could be used for sleeping, working, dressing, cooking, dining, or other normal life activities. Hallways, closets, storage space, bathrooms, lofts, bedrooms, and all other rooms or areas shall be included in living space. Unfinished basements and unfinished attics shall not be included as living space.

Planning Board comment: This definition was taken from the living space definition in the Elderly Housing section and placed in the general definitions for consistency, as there was no explanation of what constituted "living space" for the compilation of size in reference to accessory dwelling units.
